Dear Retta,

I just wanted to thank you for your wonderful presentation you gave at our club. The feedback I received from our members was extremely positive. Your information, statistics and demonstrations were excellent and very helpful. The way you presented the material was easy to follow and I would strongly and eagerly recommend your program to any group.

The members at *Curves of Dunwoody* are now armed with new and helpful skills and knowledge that will hopefully never be necessary to use. I would like to thank you on behalf of the members and staff for coming to our club and we hope to see you again very soon.

Sincerely,

Jillian M Henson
