ATTN: Retta Shealey
RE: Self Defense Course

Retta:

I wanted to drop a note to let you know how much we enjoyed the Safety and Self Defense Courses held here at Curves last month.

Your seminar was informative and extremely beneficial to everyone that attended. Your moves were easy to do and more importantly, you taught us to be more aware of our surroundings in these dangerous times. We will definitely hold another class in the next few months.

Thanks again for your time and knowledge.

Sincerely,
