Dear Retta,
Training2BeSafe has definitely changed my perspective on the word victim. We have learned so much from your seminar and feel much less like victims of this society. You have a masterful understanding about what you do and we welcome you to The Singin' Bean anytime to help make the women of Lawrenceville feel safer. We are anxious to work with you in the future on other projects for the schools and the community of Lawrenceville.

Respectfully,

Cindy Pitts
